Synopsis

Are you getting serious about being healthy or at least cleansing your body of mucus and toxins? Then Dr Sebi's diet is the perfect option for you! Many individuals stick to specific eating patterns and lifestyles for a longer time. However, once they begin feeling bad or problems start to show up, they reach out to doctors rather than contemplating their habits and how they fuel their bodies. Have you already realized why your predecessors were healthy and strong? The answer to that question will be found in this book. Dr Sebi motivates you to put your wellbeing and health in your hands. This book will offer you insights on how to cure common diseases such as high blood pressure, diabetes, and more; get detox plans and recipes to help you get started. Here's a quick peek of what you will find in the book:

A D, "Find your cure today. This book written by Lisa good gives the treatment information created by Dr sebi. If you have been using Western methods but have gotten no results give Dr Sebi alkaline diet a try. He claims to have found the cure to lots of diseases using herbs and delicious smoothie recipes. Gain control and possibly be rid of diabetes lupus high blood pressure and so many other diseases. You can also lose weight."

Patricia Ford, "Dr Sebi treatments and cures. This is a great resource for someone that is suffering from hypertension, kidney disease, lupus. Following Sebi's treatment regime follows a vegan lifestyle but it has worked for others in the past."

Riley, "Interesting.. A natural-based diet that revives the body and gets rid of toxins and was developed by Dr. Sebi."

Lisa McQueen, "Very Interested. Dr. Sebi was not a doctor. He was an herbalist that believed in only natural plant based diet to detoxify your body to cure disease and reduce ailments. The diet is very strict. Eating the foods on the Dr Sebi diet can not be bad for you. I do believe the cleaner you eat the more beneficial it is to your health. If you can rid your body of mucus and acids that is definitely going to make you healthier. There were some products also endorsed by Dr. Sebi. Even if you do not choose to follow this plan there is a load of good information that can be used. Eating less processed food and more veggies, fruits and natural herbs is something that we could all benefit from."
