Samantha Quinn, "A fantastic book with wonderful and stunning art work.. A beautiful wonderfully written book with stunning imaginative artwork. The pictures really inspired the imagination and captured the scenes brilliantly with amazing detail. The stories are suitable for a huge age range and are fun to read aloud. I would recommend to anyone. Fab for bedtime stories that are different take on the normal types. Lots of geographic details and local legend to learn about too. A fantastic book with wonderful and stunning art work."

Miss T Jacobs, "Great book, beautifully illustrated. What a lovely book, perfect for my reluctant reader 9 year old boy. The stories are interesting & exciting; they are broken down into chapters of a few pages making it very accessible to a younger reading. The illustrations are utterly delightful & atmospheric. Really a lovely book that's a bit different from the usual."
