## **Synopsis**

Before Santa circled the World in his red sleigh, Reindeer Mother and Daughter of the People went , in that very same red sleigh, in search of the Sun. To the East, to the West, to the South, they searched the Earth, made many new acquaintances and shared gifts with everyone. In this story, you will find the deep origins of many favorite Yuletide images, and a special place for brave young girls, sacred drums - and, of course, Reindeer Mother Herself, flying from the Northern Realms to make the Solstice magic.
