Unknown“A fabulous book! Mike has been in the trenches with his dreams dashed, and yet he came back. This book tells how he did it and how anyone can do it. I highly recommend Leveraging the Universe. It’s instructional and inspiring!”—Marci Schimoff, author of Happy for No Reason and Chicken Soup for the Woman’s Soul
From the Author JAMBO FELLOW ADVENTURER! When it comes to living the life of one’s dreams, there are those who think they must go it alone; that they must be the early bird, know all the right people, and succeed by the sweat of their brow - and they carry the weight of the world on their shoulders. Then there are those who have read all the books, done all the workshops, and concluded it’s simply a matter of surrendering to a loving, conspiring Universe so that their life might be transformed by its magic - and

they silently wonder why it hasn't. The truth is neither are we alone nor is knowing about the Universe and its magic enough to manifest change. The first conclusion is as self-sabotaging as it is sad, and the second is a bit like knowing exactly where the secret treasure is buried, yet never bothering to dig for it. Instead, the trick lies in knowing the difference between what one can, should, and must do, versus what one can, should, and must delegate to an all wise and capable Universe. Our part is the easy part. We need only provide the spark to light the Universe's fire; to hoist up our sails so they can be filled with its magical winds. Yet without offering these token efforts, without assisting in these modest ways, not only do we contradict our wish to live as fully as possible, but we slide even further away from an infinite grace that tirelessly strives to sweep us off our feet, surround us with friends, and create the life we most desire. Leveraging the Universe: 7 Steps to Engaging Life's Magic is about using the gifts of thought, word, and deed to harness this grace. It's about doing the least to get the most. Learning what "the truth" is and how to live it, so that the kingdom, the power, and the glory can be revealed before your very eyes, as you discover your holy place in creation - as a creator, yourself. Slayer of dragons, matador of time and space, rightful heir to heaven on earth, it's time to begin living the life of your dreams. Your great admirer, Mike Dooley

From the Back Cover "You can't know where or when the Universe will enter your affairs-- only that it will. So just pitch your pitches, take your baby steps, enjoy the journey, and prepare to be astounded." Mike Dooley

With a true understanding of how Universal mechanics work, you can at long last start working them. In his first "how-to" book, Mike Dooley spells out exactly what can, should, and must be done to harness the Universe and life's magic, and what should--at all costs-- never be done. Leveraging the Universe is about using the gifts of thought, word, and deed to harness an infinite grace that tirelessly strives to sweep you off your feet, surround you with friends, and create the life you most want. It's about doing the least to get the most; learning the truth and then living it, so that the kingdom, the power, and the glory can be revealed before your very eyes as you discover your holy place in creation as a creator yourself.

"*Leveraging the Universe* ... challenges [readers] to harness the world around them as a force for positive change. From Publishers Weekly

Starred Review. Dooley, already a well-established speaker in his own right, broadened his profile as one of the teachers in the DVD and book phenomenon *The Secret*. Dooley's audios, first created by his motivational company, *Totally Unique Thoughts*, have begun to make their way into the mainstream trade publishing arena. In this particular seminar—recorded at a Unity church in Raleigh, N.C.—Dooley challenges listeners to harness the world around them as a force for positive change. Dooley emphasizes the importance of mastering thoughts and beliefs, though he also warns against fixating on self-analysis at the expense of old-fashioned determination. The only place the ship of your dreams will never find you is sitting at home waiting for it, he exhorts his audience. Dooley embraces spiritual concepts that fall into New Age categories, but he manages to eschew the ethereal trappings of a guru. Instead, he projects the easygoing stance of a pleasant and engaging 40ish businessman with

What people say about this book

akira, “引き寄せの法則と関連が深い内容. 今の時代の変化を宇宙の法則という方向から、ひもといているのが面白いですね。人の集合意識の話が、特に面白いなと思いました。こういった宇宙の法則や引き寄せは、超常現象っぽい話ではあるものの、かなり納得させられるんですよ。思い当たる節が多すぎて。あと、文章が軽快で、読んで楽しいですね。”

Taka, “宇宙の法則って面白い。人は無意識のうちに発しているネガティブな言葉がありますが、それを宇宙の法則から紐解いているのはなるほどなと思った。日本では古来から言霊って言いますが、宇宙の法則に基づいていたのですね。この本を読んだおかげで日頃の感情を客観的に見ることができるようになりました。”

まつした, “全体を把握するとまた見方が変わると再認識した。1つ1つ書かれていることは、（すべてではないが）自分も聞いたことがあったり、教えられたこともあり。だけど、ばらけた状態で格納されていたことを自覚させて頂いた一冊。おかげ様で頭の中が整理されました。分かりやすく簡単に書かれていますね。”

Ebook Tops Reader, “わかりやすく、面白い。こういうジャンルの本を、簡単なものから難しいものまで割と多く読んでいます。この本は、まわりくどくなく、テンポ良く書いてあり、オヤジギャグ(すみません)がちょくちょく入っているのでクスッと笑ってしまいます。でも本質が簡単な言葉で書いてあり、とてもいいと思いました。他の著書も読んでみます。”

ひな, “どうすれば人生が豊かになれるか。私たちの感情にも周波数があり夢も望むことは、周波数を合わせると叶う。マイナスの感情は、いいことないプラスの感情でいるといいことが舞い込んでくる。とても前向きになれる本でした。”
