Synopsis

The Four Ace magic card trick is another real classic of magic that always completely baffles a lay audience and this version is a bit different, in that it has a Royal Twist. It's a 'Four Ace' routine that uses Queens or you can use Kings, which can provide a Royal patter story that will amuse your audience. Many people have seen various versions of the Four Ace Card Trick and so often when the magician produces the Four Aces they immediately think that they've seen it before. However, doing this version of the effect makes your routine completely fresh and completely new and exciting to the audience. If you like Card tricks then you'll love this version of the "Amazing Four Ace Trick". - This Easy-to-Follow magic tutorial with no fancy sleight of hand, lets you perform this trick in a few minutes. Add the Four Ace Trick to your repertoire Today!

What people say about this book

Shawn McDowell, "The Four Ace Card Trick. This ebook is very clear on the instructions on how to do this card effect and also how to make it yourself."

MRubio, "A Classic Card Trick with a Twist. The author, Johnnie Gentle, was a top magician in the 60's and 70's. He is a longstanding member of The International Brotherhood of Magicians. The Four Ace magic card trick is a classic! It's a "four ace" routine that uses Queens. There are many versions of the Four Ace Card Trick. But this version makes your routine fresh and entertaining to the audience."

Antônio Carlos, "Excellent!. A very good book for those who want to learn magic! I've loved it and I recomend for everybody! This book is amazing!"
