

# Creative Drawing & Illustration: A Sourcebook of Inspirational Drawing Skills

by

Helen Brennan

[DOWNLOAD E-BOOK](#)

## **Synopsis**

Drawing is an ever-popular and rewarding way of recording the world as we see it, but it can also be more than that: it can express feelings and attitudes, it can shock, intrigue, or tell a story. Going beyond the academic exercises of traditional drawing, this innovative book focuses on how you can develop techniques to set your work apart. You will learn how to interpret subject matter for maximum impact, quirkiness and visual interest. And if you want to take your work into the realm of the imagination, the book covers subjects as diverse as anthropomorphism, fantasy art and surrealism. Author and illustrator Peter Gray demonstrates each point with his own accomplished artworks and step-by-step examples.

## **Sort review**

About the Author Peter Gray is long established as an illustrator of books, magazines and newspapers and has written many books for adults and children, which have been published in many languages all around the world. He lives with his family in Suffolk.--This text refers to the paperback edition.
