What people say about this book

Joshua Waiters, "More FF14. A fine look into the concept art and ideas involved in crafting the wonderful Stormblood expansion. I really miss having Lyse in the Scions because the story was wonderful."

josh, "Great book.. The book is a bit floppy and isn't a hardcover, which isn't horrible but it does feel slightly cheap for the steep price, other than that its a really amazing book which has alot of cool artwork from the game and a neat little code for a minion. definitely worth the buy."

Ebook Tops Kunde, "High quality, bigger than expected and a ton of pages. The format is DIN A4. I somehow expected something smaller. (Didn't inform myself that much)The artbook is very very high quality and has a ton of interesting stuff. A must have for FFXIV story enjoyers.10/10"

Vanessa, "¡Perfecto!. El artbook llegó en perfecto estado y era justo lo que buscaba. ¡Si buscas el arte conceptual de todo lo que ves y visitas durante la expansión "Stormblood" este es tu libro (no aparece arte relacionado con las misiones de transición hacia Shadowbringers)!"

M. S., "Ein Hauch von Nostalgie. Sehr schönes Produkt mit vielen absolut toll gezeichneten Illustrationen und Konzepten.Itemcode war auch vorhanden.Leider einen Stern Abzug, da das Paket einfach für jeden sichtbar vor der Haustür abgestellt worden ist ohne überhaupt zu klingeln (Übrigens nicht das erste mal)."

alex, "molto bello. molto bello per gli appassionati della serie"
