About the AuthorDanielle Star has done a bit of everything. She's been an assistant cook at a famous French pastry shop, the head editor of a fashion magazine, and a dance teacher. Once she started writing, though, she's never stopped. Today she lives in the English countryside with her five horses, her cat Sugar Cube, and her dog Fluffy. Every morning before she starts writing, she drinks a big wild strawberry smoothie and reads a good book. --This text refers to the paperback edition.
