

Taunt Her: A Dark High School Bully Romance (Rebels at Sterling Prep Book 1)

by
Caitlyn Dare

Synopsis

He hates to want her. She wants to hate him. Remi Tanner wasn't part of the plan. But when I see my uncle doting on her, I know she's going to help me destroy him. I'll taunt her. Test her. In the end, I'll break her. Ace Jagger wasn't a good guy. But he swept into my life like a storm, and I'm caught up in the aftermath. He's cruel. Calculating. In the end, I never stood a chance. She might be a Sterling Prep princess, and I might be the guy from the wrong side of the tracks, but one thing's for sure... I won't stop until I get what I want. Revenge. Taunt her is a dark high school bully romance. If possessive, tattooed, motorcycle-riding alpha holes aren't your thing, you probably won't like this book!

What people say about this book

The Busy Book Mom (Heather Kerby), "One Heck of a Ride!. Hold on to your seat because this book will take you for one he** of a ride. Ace Jagger comes from the wrong side of the wrong town, and moves into his uncle's sprawling mansion with his two brothers. He is everything bad that all the girls want except for one. Remi just wants to graduate and get the hell out of town. Her life was stolen by her ex-best friend four years ago. Her mom wants her to play nice (what world is she living in) and try more, while dating Ace's rich uncle. Remi knows how to play the game, but just doesn't want to anymore. Ace has only one thing on his mind and that is finding out his uncle's weakness. He latches onto Remi, and will do anything he can to push his Uncle's buttons. Remi surprises Ace in so many ways. She might look meek, and quiet on the outside but the girl has a fire on the inside that matches Ace's. He realizes that maybe she isn't what everyone makes her out to be, and just maybe she might be his ticket to redemption along the way. Still, questions remain that need answered and he will stop at nothing to get them even if it means giving up the girl who might be worth giving it all up for."

Rhonda, "5 OMG STARS!! 5 OMG STARS!! OMG....I am dying right now I need more of Ace and Remi. This story had my on the edge of my seat and grinding my teeth. Their story had all the feels with sexy times throughout. Caitlyn Dare has won a new reader, I can't wait for the next book."

Maria Symeou, "If you like bully romances, then this book is for you!. I am a junkie for hate-to-love storylines, and this book has everything! The chemistry between Ace and Remi was HOT! I loved how Remi followed her heart and was not guided by other peoples' opinions! She stood her ground, and was not ashamed/scared to show her feelings about Ace! Ace on the other hand is your typical bad boy. Even though i loved his character, i would have loved to see his walls coming down a little bit more, to open up to Remi more! This book gave me the feels! I felt the teenage angst, the lust, and the final 15% of the book made me feel weird, sad, and angry. Poor Remi... I am DEFINITELY vowing for her to TAME HIM in book two!!!"

Ebook Tops Reader, "Predictable cliffhanger. I think the story line was good, but the cliffhanger was very predictable and I feel I've read it a lot in this genre. Whenever there is a stage, movie being shown or the equivalent, you know what's about to happen. The book was well written and the writing flowed easily. It was easy to connect with the characters."

Jeni2948, "it's a good start. Honestly, it took me a bit to really get into this book. Ace, has a chip on his shoulder and thinks the world owes him. Maybe it does, but he's a big crybaby about it. Remi, is a sweet girl but a bit naive and unwilling to stand up for herself to anyone. There is definitely chemistry between them, maybe something deeper, but who really knows because even at the end of the book it was all still pretty superficial and physical. I'm hoping the next one

really dives a bit deeper and gives me some feeling, some palpable emotion.”

Ms Cat, “Game On. Ace Jagger, eldest brother to Conner and Cole. The trio having to start a new life in Sterling Bay by their Uncle James. Remi Tanner, daughter to their uncle's girlfriend. Angsty read has you falling for Ace one moment, then wanting to throttle him the next. Reno's past and present is heartbreaking as well. With everything he does a game, she is on the losing end. Great start to the series. Does end in a cliffhanger, looking forward to continuing it”

Kristina Waible, “Taunt her. Take the boys out of their trailer. Put them in a prep school living with a uncle that is rich but never did a thing for them. Add a preppy girl who is a outcast at school after her dad destroys the family and she loses her best friend when her dad marries that girls mom. Ace breaks her heart trying to get even with his uncle”

shonna mccabe, “Out of this world amazing. Whoah sweet Jesus! I can not begin to describe how flipping amazing this book is! This book has been sitting on my kindle for a while now so I decided to try it and by god I am now kicking myself for not reading it sooner! Caitlyn dare has done an amazing job with this book and I can't wait to dive in to the rest of this series “Taunt Her” is book 1 of the rebels at Sterling prep series and it's an absolutely MUST READ!! His touch is like kryptonite, making me weak for him. And I know I'm in deep trouble. Ace is your hot bad guy from the wrong side of the tracks, when Ace's estranged rich uncle takes Ace and his younger brother in after his mother has passed away and he sees that his uncle dotes on Remi his girlfriends teenage daughter Ace decides that the best way to hurt his uncle and to get his revenge is through Remi Ace is determined to break Remi no matter what unfortunately for Ace the more time he spends with Remi the more he's drawn to her like a moth to flame Remi challenges and surprises Ace at every curve ball Remi is not what Ace expected she's so much more and she's so similar to Ace how can Ace deny their attraction when he learns who Remi really is? I thoroughly enjoyed this book it had me consumed right from the very first page and I just couldn't put it down till I had finished I finished this book in one sitting and I can't wait to dive into book 2 in this series this is not just your average bully romance this is so much more!
